\*These are the standard depreciable asset categories on TAD Rendition Forms 1300A & 1300B. To report and value other asset types please refer to the classifications above and complete TAD Schedule E - Form 1300E then attach it to your rendition. This document does not apply to 'Inventory' items such as Raw Materials, Goods In Process, Finished Goods, Merchandise, or Supplies. To estimate Depreciated Value using this schedule, multiply an asset's Historical Cost by the Percent Good that corresponds to its Year Acquired and Typical Life Expectancy.
